New bylaws about the endowment: Baker College general support endowment fund. This endowment shall be managed by the President and the Treasurers. They shall ensure that of the revenue produced each year, 40% shall be put into the primary Baker Budget for general support of Bakerite initiatives. 20% shall be distributed into the primary Baker Budget as the Treasurers see fit. The remaining 40% shall be reinvested. Update because Paul amends: The remaining funds in the primary Baker budget at the end of the fiscal year should be invested into this endowment.

NFL Awards Night: Sports Management/NFL peeps need seat holders? Apparently it's a job?? These people take the empty seat of someone important when they leave. It's a cool way to see NFL players and kool people without having to pay a crap ton of money. Sign up from the email Paul sends.

If you're interested in running for a cab position talk to us bc we're swag ppl. Secretary (sex-cretary) is the best job though. Prepare yourself for an email with all the amendments to the Bylaws. Read it and educate yourself. As for constitutional amendments, plz read them and plz vote. We need 2/3 votes for amendments in order for them to pass and we don't want to have an antiquated Constitution.
