March S.O.B.

'Twas the night before Beer Bike, and all across Rice
Not a creature was stirring, except for Baker; **HELL YEAH!**

Dearest Baker,

What a week, what a semester! What an honor to ^{be} writing my first State of Baker! We've laughed along to BakerShake #CatherineKilledIt, got our housing nonsense together, seen the Rodeo come and go, traveled, studied, welcomed new RA's (I), and so much more.

VAY MATT and Bobby!!

And it's that time of year again! We've earned it. Better than your birthday, a third Christmas, pure ridiculous merriment. Or a lot of sleep if you're Matt Chagnot. We've cut shirts, painted nails, filled balloons, dyed and shaved heads, cracked eggs, eaten our way through tailgates, danced, laughed, ~~cried~~ We have the heart! And there's still more to come... *...?*

When you hit the 11 p.m., 2 a.m., 7 a.m., 8 a.m., 12 p.m. wall, turn with me to our theme for inspiration:

Like Mowgli, may our *classic Baker ingenuity* bring us to victory! Remember, it's a statistic truth that the other colleges are singing *King Louie's* song to themselves: "I wanna be like You-ou-ou." May we have Bagheera's silky hair and dedication to our friends. Most of all, like *Baloo*, let's forget about our worries and our strife!

No matter how you Beer Bike, you're beer biking right if you're safe and happy.

With all of the love in my heart,
Nat

"Happy Beer Bike to all, and to all a good night!"
